C.No,49/55. Office of the S.K.Market Committee, Mangalore, dated 18-1-1955.

From: Sri.K. Tejappa Shetty, B.Sc.Ag., D.I.H., Secretary, The S.K.Market Committee, P.B.No.63. Mangalore-1.

To: The Secretary to Government, Agriculture Department, F.S.George, MADRAS - 9.

Through: The Collector of South Kanara 5595 and Chairman, The S.K.Market Committee, Mangalore.

S i r,

Sub:- Committees - Market Committees - Surplus funds - Investment - Retention during the year 1955 - Requested.

Ref:- Rule 76 of the Madras Commercial Crops Market Rules, 1948.

The unexpended balance of funds of this Market Committee for the official year 1954 on the last working day (31.12.1954) was Rs.4,533-14-9 as per Pass Book. Out of this balance, a sum of Rs.123/- was actually the amount of Provident Fund bonus, subscriptions and also Deposits made by tenderers, the actual balance of the Market Committee funds being only Rs.4410-14-9.

During the year 1954, the revenue collections to the Market Committee was poor till October, due to the legal uncertainties as to the proper publication of the notification extending the provisions of the Madras Commercial Crops Markets Act into the District. But after the passing of amended Act (Act XXVI of 1954) the collections improved during the months of October, November and December 1954.

The reconstitution of this Committee (the functions of which are being performed by the Collector of South Kanara under section 6.A of the Act from December 1952), by elected members has been taken up by the Collector as the legal uncertainties have been cleared by the amending Act XXVI of 1954. The expenditure in connection with the election of members will have to be met from the Committee funds. The amount of expenditure that may have to be incurred in connection with the elections cannot be estimated at present because this is the first of its kind for this Committee and also because this expenditure would depend on the nature of the contests for the various seats.

The financial position of this Committee is still uncertain and it is therefore better to retain the unspent balance of Rs.4410-14-9, not only to meet the current expenses of the Committee but also to meet the expenditure in connection with the election of members to the Committee. I therefore request that Government may be pleased to relax Rule No.76 of the Madras Commercial Crops Markets Act Rules 1948 under Rule 84 of the said Rules and permit this Committee to retain the unexpended balance of the year for meeting its expenses during the year 1955 without being invested.

I further submit that any surplus amount that may be available during the course of the year 1955, after meeting the expenses connected with the elections to the Committee, will be invested with the approval of the Director of Agriculture.
